MARSHALL UNIVERSITY

Application for International Student Undergraduate Admission

Apply Early!

After we receive all of your application materials, your credentials will be evaluated and, if admissible, you will be sent a letter of admission and the appropriate immigration form. The form is used to apply for a student visa at any American embassy or consulate. International students who are first time freshmen or transfers and are under 21 years of age are required to live in on-campus housing once admitted. After you have been admitted to the University, you will also receive information about applying for on-campus housing and completing our arrival survey in case you need transportation from Huntington Tri-State Airport (HTS) or Charleston Yeager Airport (CRW).

International admission can be found at www.marshall.edu/admissions/international. For additional information concerning the steps you need to take from admission through arrival on campus, please visit www.marshall.edu/cip/newstudentchecklist.

STEPS TO APPLY

Marshall University is authorized by the U.S. Department of Homeland Security, Bureau of Citizenship and Immigration Services to enroll non-immigrant visa students with F-1 or J-1 status.

You can also pay the \$50 fee with a Visa, Mastercard, American Express or Discover card. Contact the Marshall University Undergraduate Admissions Office for details.

* English test results that were taken more than two (2) years prior to the date of application submission cannot be accepted. Some programs may require higher scores or GPA's for admission.

For more information visit the international admission website.

6. AFFIDAVIT OF FINANCIAL SUPPORT

Marshall University currently requires that international students demonstrate proof of financial support to cover the tuition and living expenses for one (1) academic year (9 months). We estimate this amount to be \$31,664 USD (subject to change). In some cases, a 50% deposit will be required in order to issue the I-20 form. Proof of financial support may be demonstrated in several ways:

- An affidavit of financial support from a personal sponsor (parent, relative, friend, etc.) that has been certified by a U.S. bank or financial institution.
- A scholarship agency (government, corporation, etc.) stating the availability of funds and the intention to support your educational and living expenses for the entire duration of study at Marshall University.
- Personal funds, provided you submit documented evidence of a bank statement from a U.S. bank or financial institution or its affiliate in U.S. dollars (USD). A statement from your employer certifying that you have been granted study leave and salary support arrangements may also be acceptable.

7. PROOF OF MEASLES AND RUBELLA IMMUNIZATION

A valid immunization record including measles and rubella (or MMR) vaccinations and all other required vaccinations or screenings. Students born prior to January 1, 1957 are exempt from the measles and rubella (or MMR) immunization requirement.
