

University College Plan-on-a-Page

To inspire learning and creativity that ignites the mind, nurtures the spirit, and fulfills the promise of a better future

The mission of University College is to empower students to achieve their academic, personal, and professional goals by providing comprehensive support and guidance. By fostering a welcoming environment, our advisors serve as advocates, mentors, and resources for students, ensuring they navigate the educational journey with confidence. Through our relational approach, we are committed to promoting student success by providing a solid foundation to support students as they strive for future success.

Student Retention and Progression Professional Development And Training Holistic Advising Early Intervention

Strive for an annual increase of 1% in student retention. Continue to explore at-risk student interventions. Move students into their intended majors ASAP. Attend on-campus training sessions that are aligned with institutional goals. Attend and participate in both regional and national NACADA Conferences. Continue to grow and develop partnerships with student service offices on campus to support retention and holistic advising goals. Expand our outreach and communication with students regarding Navigate Early Alerts and Midterm Grades.
