Colleges and specific programs may have unique requirements that are more stringent than those noted above. Students are responsible for staying informed about and ensuring that they meet the requirements for graduation.

YEAR ONE

Have questions? Need to talk? You already have a Friend-At-Marshall ready to help you succeed. Find your FAM Peer Mentor here: www.marshall.edu/fam

Stay on the Herd Path and come to class! Class attendance is more important to your success than your high school GPA, your class standing, or your ACT/SAT scores.

In order to graduate on time, you need to take an average of 15 credits per semester. Are you on track? Take 15 to Finish!

Take a pulse check. Know what you need to do every year to keep your grants, scholarships, or federal financial aid.

Take a career self-assessment to help determine what majors fit your talents and interests and consider job shadowing opportunities.

Attend an intercultural festival or event on campus or in town.

Join or create a club or organization on campus about a particular issue you care about. Marshall has more than 200 student organizations.

YEAR TWO

Are you completing enough credits to graduate on time? Dropping or failing a class can put you behind. Use summer terms to quickly get back on track.

Take a Community Based Learning (CBL) class that connects course content to the community. Stay engaged and make a difference.

Take ACC 215, 216, and 198 in year two to ensure that you are prepared to start your 300 level ACC classes in year three.

Start meeting with your faculty mentor regularly!

Meet with a career education specialist to conduct a "gap analysis." Figure out the skills you'll need for the career you want while you still have time to build them.

National Student Exchange: Study away for one semester and gain a different perspective. Choose from institutions across the US, US territories, or Canada.

Did you do really well in a hard course? Become a Tutor or a Supplemental Instructor.

YEAR THREE

Develop relationships with professors who can serve as future references by attending their office hours.

Join Beta Alpha Psi so that you can start networking with professionals in the field of Accounting.

Are you on track to graduate? Meet with your advisor for your Junior Eval to make sure you know what requirements you have left.

Want to continue your education and increase your opportunities? Talk to a faculty member about whether graduate school fits your career goals.

Networking is key! Attend a Career Expo to seek employment opportunities and network with employers in your field.

Meet with your faculty mentor to discuss certification exams like the CPA exam and CMA exam.

Don't enter your field with zero experience! Secure an internship related to your field of study.

YEAR FOUR

Apply for graduation! It's finally here! Go online and complete your graduation application. Need help? See your advisor.

Consider the 3+2 program if you'd like to earn both your bachelor's and master's degrees in less time overall.

Volunteer for causes that you are passionate about such as animal rescue, 5ks to support medical research, or mentoring local youth.

Check with your advisor to see if you qualify to graduate with honors.

Earn your Business Professionalism Certificate by attending speaker events and skill workshops offered by the Lewis College of Business.

Attend Countdown to Commencement. This is a one stop shop for all things graduation at Marshall! Keep an eye out for this event.

Be at the top of your professional game! Prepare a final resume and practice your interview skills with a career coach in Career Education.
