EARLY CHILDHOOD EDUCATION

The Early Childhood Education program, a blended plan with early childhood and special education, prepares pre-service teachers to teach all children, regardless of ability, from birth to age five. We have experiences with infant/toddlers, pre-kindergartners, preschoolers with special needs and administrators. The successful candidate will be able to be licensed to teach typically developing preschoolers as well as preschool children with special needs.

YEAR ONE

Have questions? Need to talk? You already have a Friend-At-Marshall ready to help you succeed. Find your FAM Peer Mentor here: www.marshall.edu/fam

Stay on the Herd Path and come to class! Class attendance is more important to your success than your high school GPA, your class standing, or your ACT/SAT scores.

In order to graduate on time, you need to take an average of 15 credits per semester. Are you on track? Take 15 to Finish!

Volunteer in local museums, non-profit agencies, dog shelters, hospitals, libraries, festivals, or women's shelters.

Take a career self-assessment to help determine what majors fit your talents and interests and consider job shadowing opportunities.

Join or create a club or organization on campus about a particular issue you care about. Marshall has more than 200 student organizations.

Attend an intercultural festival or event on campus or in town.

YEAR TWO

Are you completing enough credits to graduate on time? Dropping or failing a class can put you behind. Use summer terms to quickly get back on track.

Attend civic meetings, such as the school board, neighborhood associations, city council, or important state legislative sessions.

Take a pulse check. Know what you need to do every year to keep your grants, scholarships, or federal financial aid.

Develop relationships with professors who can serve as future references by attending their office hours.
