FOUR YEAR PLAN COLLEGE OF HEALTH PROFESSIONS 2019-2020

HEALTH SCIENCES

The Health Sciences major offers an interdisciplinary approach designed to develop a strong foundation of core skills in preparation for advanced education in a variety of health careers. All students gain knowledge about critical aspects of health: physical and cognitive function, disease and disability, contemporary public health challenges and opportunities, professional communication, the scientific bases of health care knowledge, and ethical and professional issues associated with our complex health care system. Students learn from accomplished faculty across the disciplines in the College of Health Professions and study side by side with other students who aspire to make a difference in people's lives.

MAJOR INFORMATION

- · Students are required to know and track their degree requirements for graduation or for entrance to a professional school.
- Course offerings and course attributes are subject to change semesters. Please consult each semesters schedule of courses for availability and attributes.
- The Health Sciences degree consists of 120 college credit hours.
- Students may declare the B.H.S. major on admission to the university. Students in the program must maintain a 2.0 grade point average. A maximum of three D's in the Health Sciences required courses will be accepted toward the degree.
- A list of approved restricted electives is available in the COHP Student Services Offices and from the academic advisors. Any courses not listed

that students wish to take as electives must be approved in advance by the academic advisor.

of study.

ğ

ō

e

• A minimum of 37 hours of restricted electives are required. 18 hours must be upper division (300- or 400-level) (maximum of 27 hours of College of Business courses).

q

INVOLVEMENT OPPORTUNITIES

- Student Government Association
- Campus Activity Board
- JMELI
- Commuter Student Advisory Board
- Club Sports
- Religious Organizations
- Political Organizations
- Residence Hall Association
- Cultural Organizations
- National Society of Leadership and Success
- Greek Life

RELATED MAJORS

- Healthcare Administration
- Nursing
- Dietetics
- Pre-Physical Therapy

GRADUATION REQUIREMENTS

- Have a minimum of 120 credit hours (some colleges or majors require more);
- · Have an overall and Marshall Grade Point Average of 2.00 or higher;
- Have an overall Grade Point Average of 2.00 or higher in the major area of study;
- Have earned a grade of C or better in English 201 or 201 H;
- Have met all major(s) and college requirements;
- Have met the requirements of the Core Curriculum;
- Have met the residence requirements of Marshall University, including 12 hours of 300/400 level coursework in the student's college (see section entitled "Residence Requirements" in the undergraduate catalogue);
- Be enrolled at Marshall at least one semester of the senior year;
- Have transferred no more than 72 credit hours from an accredited West Virginia twoyear institution of higher education.

Colleges and specific programs may have unique requirements that are more stringent than those noted above. Students are responsible for staying informed about and ensuring that they meet the requirements for graduation.

This academic map is to be used as a guide in planning your coursework toward a degree. Due to the complexities of degree programs, it is unfortunate but inevitable that an error may occur in the creation of this document. The official source of degree requirements at Marshall University is DegreeWorks available in your myMU portal. Always consult regularly with your advisor.

Have questions? Need to talk? You already have a Friend-At-Marshall ready to help you succeed. Find your FAM Peer Mentor here: www.marshall.edu/fam

Join or create a club or organization on campus about a particular issue you care about. Marshall has more than 200 student organizations.

Have you considered adding a minor? Think about personal areas of interest you'd like to explore or how you might enhance your major with a related skill set.

Stav on the Herd Path and come to class! Class attendance is more important to your success than your high school GPA, your class standing, or your ACT/SAT scores.

YEAR ONE

Attend an intercultural festival or event on campus or in town.

YEAR TWO

Are you completing enough credits to graduate on time? Dropping or failing a class can put you behind. Use summer terms to quickly get back on track.

No need to wait until graduate

school. Discuss undergraduate

research opportunities with faculty

in your major right now.

Take a Community Based Learning

(CBL) class that connects course

content to the community. Stay

engaged and make a difference.

 \bigcirc

and connect with professionals in your field to discuss your major, career path, and more.

 \bigcirc

In order to graduate on time, you

need to take an average of 15

credits per semester. Are you on

track? Take 15 to Finish!

Take a pulse check. Know what

your grants, scholarships, or federal

financial aid.

Meet with a career education specialist to conduct a "gap analysis." Figure out the skills you'll need for the career you want while you still have time to build them.

Want to continue your education and increase your opportunities? Talk to a faculty member about whether graduate school fits your career goals.

Join professional associations in the healthcare field.

YEAR THREE

HEALTH SCIENCES – 2019-2020

graduate? Meet with your advisor for your Senior Eval to see what requirements you have left.

Think about who can help you grow as a student and a professional (professors, advisors, alumni, etc.) and ask at least one to be your mentor.

employers in your field.

Planning on graduate school? Complete graduate admissions exams (GRE, MCAT, LSAT) the summer before your senior year.

Be at the top of your professional game! Prepare a final resume and practice your interview skills with a career coach in Career Education.

Networking is key! Attend a
Career Expo to seek employment
opportunities and network with

T S T

Are you on track to graduate? Meet with your advisor for your Junior Eval to make sure you know what requirements you have left.

0

You could benefit from an internship. Start planning now! Meet with your advisor or the Office of Career Education to discuss your options.

TRANSFERABLE SKILLS ASSOCIATED WITH THIS MAJOR

- Knowledge of the Human Body
- Assessment Skills
- Oral and Written Communication Skills
- Teamwork and Collaboration Skills

ASSOCIATED CAREERS

- Health Servicse Manager
- Health Education Specialist
- Wellness Coach
- Medical/Pharmaceutical Sales
- Community Health Specialist

Develop relationships with professors who can serve as future references by attending their office hours.
