# **CHEMICAL SCIENCES**

#### REQUIREMENTS

CORE CURRICULUM The Core Curriculum is designed to foster critical thinking skills and introduce students to basic domains of thinking that transcend disciplines. The Core applies to all majors. Information on specific classes in the Core can be found at marshall.edu/gened.

#### MAJOR-SPECIFIC

All Chemical Sciences majors are required to take the following courses:

CODE	COURSE NAME		HRS	GRADE		CODE	COURSE NAME		HRS	GRADE
🜪 CHM 211	Principles of Chemistry I	٠	3			PHY 201	College Physics I	•	3	
💎 CHM 217	Principles of Chemistry I Lab	٠	2			PHY 202	College Physics I Lab	•	1	
💎 CHM 212	Principles of Chemistry II	٠	3			PHY 203	College Physics II	•	3	
CHM 218	Principles of Chemistry II Lab	٠	2		-	PHY 204	College Physics II Lab	•	1	
💎 CHM 355	Organic Chemistry I	٠	3				Science or Math Elective	•	4	
CHM 356	Organic Chemistry II	٠	3				Science or Math Elective	•	4	
CHM 361	Organic Chemistry II Lab	٠	3				Science or Math Elective	•	4	
CHM 305	Research Methods Chemistry	٠	1				Science or Math Elective	•	4	
CHM 357	Physical Chemistry: Quantum or	٠	4				Free Elective		3	
or 358	Physical Chemistry: Thermo (WI)						Free Elective		3	
💎 CHM 345	Intro to Analytical Chem	٠	4				Free Elective		3	
🜪 CHM 448	Adv. Inorganic	٠	4				Free Elective		3	
CHM 491	Capstone (C)	• •	2				Free Elective		3	
CHM 432	Seminar	•	0				Free Elective		3	
	300/400 CHM Elective	•	3				Free Elective		3	
							Free Elective		1	

## MAJOR INFORMATION

- · Students are required to know and track their degree requirements for graduation or for entrance to a professional school.
- · In addition to the Core General Education requirements, the College of Science requires 3 hours of Calculus, and 40 hours of upper level credit.
- Coursework listed as "elective" may vary for each student. Students are encouraged to use elective hours toward a minor or toward prerequisities. • Students are strongly encouraged to select courses that meet two or more
- Core or College requirements. For example, a writing intensive literature course could satisfy the Core II Humanities requirement as well as the University writing intensive requirement. Course offerings and course attributes are subject to change semesters.
- Please consult each semester's schedule of courses for availability and attributes.
- Math is based on an ACT Mathematics score of 27 or higher. Students with an ACT Mathematics score less than 27 will be placed in the appropriate prerequisite mathematics and science courses.
- Students interested in careers in technical sales, management, and marketing in the chemical industry are encouraged to take the following courses as electives: Economics 250, 253, Marketing 340, 440 or 442; Management 320.
- A Grade Point Average of 2.0 is required 1) overall, 2) at MU, 3) in all required Chemistry courses, 4) in all Chemistry courses, and 5) in all required Chemistry courses taken at MU.

This major in chemistry is intended for students needing a broadly based, flexible science background. Degrees offered by the Department of Chemistry provide a program of studies that allows the individual to: obtain high quality instruction in chemistry as a scientific discipline, obtain a sound background in preparation for advanced studies, meet the qualifications of professional chemists and accrediting agencies, or prepare for a professional career in medicine, dentistry, pharmacy,

# **GRADUATION REOUIREMENTS**

- · Have a minimum of 120 credit hours (some colleges or majors require more);
- · Have an overall and Marshall Grade Point Average of 2.00 or higher;
- Have an overall Grade Point Average of 2.00 or higher in the major area of study;
- Have earned a grade of C or better in English 201 or 201 H;
- Have met all major(s) and college requirements:
- Have met the requirements of the Core Curriculum;
- · Have met the residence requirements of Marshall University, including 12 hours of 300/400 level coursework in the student's college (see section entitled "Residence Requirements" in the undergraduate catalogue);
- Be enrolled at Marshall at least one semester of the senior year;
- Have transferred no more than 72 credit hours from an accredited West Virginia twoyear institution of higher education.

Colleges and specific programs may have unique requirements that are more stringent than those noted above. Students are responsible for staying informed about and ensuring that they meet the requirements for graduation.

This academic map is to be used as a guide in planning your coursework toward a degree. Due to the complexities of degree programs, it is unfortunate but inevitable that an error may occur in the creation of this document. The official source of degree requirements at Marshall University is DegreeWorks available in your myMU portal. Always consult regularly with your advisor.
