

Service Agreement Process

Important: This document is for those service agreements that are under the “Contractual” grant budget line that are reviewed by your [Pre-Award Grants Officer](#) (if applicable) and [Kristen Webb, Contract and Subaward Compliance Officer](#). If you have an agreement for the purchase of software, software licenses, rental/hotel agreements, equipment, or maintenance agreements, this process does not apply and will need to work with your [Grants Compliance Administrator](#).

Step 1	Determine if you are working with a Service Agreement or a Subaward. The subaward vs. contract checklist can be used to help make the determination (this is not a required document).
Step 2	Determine if you are working with a Service Agreement with Terms or if a MURC Service Agreement is needed.
Step 3	Work to complete the Vendor Checklist and additional documents if needed depending on the service agreement amount. Lisa Daniels , our assigned Pre-award Grants Officer is available to assist if needed. Vendor Checklist Note: If the vendor was named in the agency-approved budget, select “yes” on the checklist and disregard the other questions.

Additional Step for Agreements over \$10,000	Email all documentation above to your Pre-award Grants Officer for review. They will review and send an approval email copying Kristen Webb, Contract and Subaward Compliance Officer .

Step 4	Send the service agreement and MURC Addendum to the vendor for signature. The *MURC Service Agreement Invoice should also be sent at this time so that the vendor can invoice once the agreement has been set up. While awaiting vendor signature, proceed to Step 5 for vendor setup. *Please note - The MURC Service Agreement Invoice is required to be completed by the vendor when invoicing against a Purchase Order (PO) to ensure standardized and compliant documentation of services provided. This ensures all required information is captured for auditing and financial reporting, streamlining the payment process. Invoices should not be submitted with the signed Service Agreement.

Step 5	Determine if the vendor has been set up by using the FTHIDEN screen in Banner . You can also use Banner screen FTMVEND to view the vendors address to ensure you are working with the correct vendor. If not set up in Banner: Email the vendor and provide them with this link to complete registration to get set up in the Banner payment system. See the email template to send to the vendor here . Service Agreement Process

Step 6	Once the vendor has signed the agreement, create a Requisition using screen FPAREQN in Banner . A full list of account codes with descriptions can be found here to use when creating the requisition. You can reach out to your Grants Compliance Administrator with questions. Note: Once requisition is complete in Banner, it will need to be approved in the Banner department queue FOAUAPP .
Step 7	The service agreement and required documents listed in Step 3 need to be emailed to Kristen Webb in separate .pdfs to ensure that documentation is not overlooked. When emailing over documents, please make sure to include the requisition number, fund number and org number.
Step 8	Kristen Webb will review and send to Dr. John Maher, Vice President for Research as the authorized signatory for final signature.
Step 9	Once signed, Kristen Webb will send the fully executed agreement to the MU Purchasing Office to be converted to a Purchase Order (PO). The contact in the department will be cc'd on the email to the Purchasing Office.
Step 10	Once the Purchasing Office has created the PO, a copy will be sent to the vendor, PI and/or the department administrator for their records.
If you need to check the status of a PO please email Kristen Webb.	
Next Step	Once the PO has been set up the vendor can begin invoicing. Invoicing should not take place until the Purchase Order has been created.

Key MURC Contacts for this Process:

Pre-Award Grants Officer

Each department at Marshall University has an assigned Pre-Award Grants Officer. You can locate your officer [here](#). For agreements over \$10,000, your Pre-Award Grants Officer will need to review the agreement and supporting documentation. This includes signing off on the Vendor Checklists and sending an approval email to the PI and Kristen Webb.

Kristen Webb, Contract and Subaward Compliance Officer

Kristen will review of the agreement and supporting documents. She will ensure that Dr. Maher's signs the agreement and that it is sent to the MU Purchasing Office to get converted to a Purchase Order (PO). She will also reach out to the MU Purchasing Office on the PI's behalf to check the status of a PO.

Service Agreement Invoicing Process

When invoicing against a Purchase Order (PO), the vendor is required to complete the [MURC Service Agreement Invoice](#) to ensure all relevant information is properly recorded and that the invoicing aligns with the terms of the service agreement. It is alright if the vendor attaches their own invoice, but they must use the MURC Invoice. **This document must be completed by the vendor.**

The **agreement number (RC-P# or P#)** must be included on all invoices. This number is on the final PO (fully executed service agreement), a copy of which the vendor should have on file. Including this number helps to streamline the processing and ensures accurate tracking of the contract.

Complete the Vendor Section	The vendor must fill out all necessary details in the "To be completed by vendor" section of the invoice. This includes the vendor's name, contact information, and other requested details.
Assign an Invoice Number	The vendor will assign a unique invoice number and include the date of the invoice.
Step Check the Final Invoice Box	If applicable, the vendor should check the box indicating whether this is the final invoice for the service agreement.
Provide Service Details	The invoice must include a brief description of the services provided. For vendors paid on an hourly basis, a detailed breakdown of the days worked, hours worked per day, and the rate of pay should be listed. This breakdown ensures transparency and clarity for both parties involved.
Total Amount and Signature	All invoices must include the total amount for the services rendered. The vendor must sign and date the invoice, certifying that the charges are true and accurate as per the agreement.
PI Review and Approval	The Principal Investigator (PI) will review the charges and ensure they align with the services described in the service agreement. Once the PI is satisfied, they will sign the invoice on the designated line at the bottom of the form.
Submit for Processing	The signed invoice, along with any required supporting documentation, should be sent to Kristen Webb, Contract and Subaward Compliance Officer and copy Kristen Martin, Senior Finance Officer for review. Once reviewed and approved, it is submitted for payment.
Ensure Payment Received	PIs are responsible to ensure that the vendor has received the payment. You can use Banner Screen FGIENCD .
