The purpose of a sanction, in addition to protecting others, is primarily to educate an individual by increasing their awareness of the importance of responsibility to the University community for one's actions.

- 7.1.1. The imposition of sanctions and the associated disciplinary procedures are set forth in the Administrative Procedures associated with this Policy.
- 7.1.2. A student may be temporarily suspended pending final action on the charges when the student's continued presence on campus would constitute a potential for serious harm to themselves or to the safety of other members of the University community.
- 7.1.3. Sanctions in disciplinary action - The following sanctions may be imposed upon students as a result of disciplinary actions by the University:
- 7.1.4. Non-Reportable. The following formal sanctions are not recorded on the academic transcript or released to others without a legitimate educational interest.
 - 7.1.4.1. Formal Warning. A Formal Warning is an official communication that a student's behavior is inappropriate for a member of the academic community. A Formal Warning is maintained in the student's disciplinary file until the student graduates and would serve as a basis for further sanctioning should subsequent violations occur. A Formal Warning will not appear on the academic transcript.
 - 7.1.4.2. Conduct Probation. Conduct Probation is a strong communication that a student is no longer in good disciplinary standing with the academic community. Any subsequent violations of the Student Code of Conduct will be evaluated in the context of the student's probationary status. The Office of Student Conduct will notify the dean of the student's college and a Social Obligation Hold will be placed on the student's record. The Social Obligation Hold will remain on the student's record until the obligation is fulfilled. The record of Conduct Probation is maintained in the Student Conduct office for seven years. Conduct Probation may include one or more of the following:
 - 7.1.4.2.1 Loss of Participation: The student may not represent the University in any extracurricular activities such as, but not limited to, intercollegiate athletics, debate teams, University Theater, band, or other similar activities however, the student may participate in informal activities of a recreational nature sponsored by the University.
 - 7.1.4.2.2 Self-Improvement: A program of self-development will be planned in conjunction with a faculty or staff person assigned to assist in a counseling/guidance capacity. Numerous resources may be used to assist the student in identifying and clarifying experiences, goals, educational and career choices, and other personal objectives.
 - 7.1.4.2.3 Surrender of Student Activity Privileges: A student required under this section to relinquish Student Activity

privileges may not participate in, or attend, events that provide a discount or privilege for students through payment of their tuition and fees. Exceptions may be granted by the Student Conduct Office in those instances where attendance at such events is required by academic courses or programs.

7.1.4.2.4 Loss of Privilege of Participation in Advanced Registration: The student will relinquish their advanced registration privileges during their sanction obligation. During this time, the student will register by filling out a scheduled adjustment form instead of the online process. Exceptions may be granted by the Office of Student Conduct.

7.1.5 Reportable. The following formal sanctions are recorded on the academic transcript.

7.1.5.1 Probationary Suspension. Suspension is withheld pending careful evaluation of a student's behavior during a probationary period, not to exceed one year. If the student is involved in any further offense, or if otherwise warranted, this suspension of disciplinary action may be revoked by the Vice President of Intercultural and Student Affairs or their designee and the full sanction of suspension enforced subject to appeal to the Hearing Board. While a student is on Probationary Suspension, any of the conditions under probation may be imposed.

7.1.5.2 Suspension. Suspension shall be imposed upon a student when it is determined by the Director or the Student Conduct Hearing Board/Title IX Review Panel that the student's relationship with the university must be suspended from the university for a definite period of time. A suspended student may apply for re-admission to the University through the Office of Student Conduct and the Office of Admissions at the end of the suspension period specified by the conduct action. Suspension records are maintained indefinitely. Any suspension imposed shall be recorded on the student's transcript during the suspension period and until the student matriculates for the following academic term. Should a student remain out of the university during an academic term following a suspension, they must apply for readmission as would a student who had withdrawn from the university. The Office of Student Conduct may deny readmission in those instances where the suspended student fails to demonstrate a positive change in behavior which indicates that the suspended student is prepared to again become a responsible member of the University community. Numerous resources may be used to assist the student in identifying and clarifying experiences, goals, educational and career choices, and other personal objectives. At the end of a

suspension period, the student is placed on Conduct Probation until graduation, unless mitigating circumstances warrant a different sanction.

7.1.5.3 Expulsion. Expulsion shall be imposed upon a student when the Director or the Student Conduct Hearing Board/Title IX Review Panel determines that the student's relationship with the University must be terminated. This sanction includes termination of all student status, including any remaining right and/or privilege to receive any benefits, recognition or certification. When Expulsion is imposed upon a student, they may petition the Vice President of Intercultural and Student Affairs or their designee for readmission to the University after the specified time. A copy of the notice will be forwarded to the Dean of the Student's College and to the Registrar for a notation on the transcript. Expulsion records are maintained indefinitely. Expulsion shall be noted on the student's transcript until such time as the student is readmitted to the University or successfully petitions for the removal of the notation. Permission for readmission by the Vice President of Intercultural and Student Affairs or their designee does not abrogate the right of any dean or director to deny readmission on the basis of scholarship. At such time as a student is readmitted to the University, the student is placed on Conduct Probation until graduation, unless mitigating circumstances warrant a different sanction. During the expulsion, the person is barred from coming onto or using University property and facilities. The action will appear on the student's official transcript until such time as an appeal is made to and granted by the Vice President of Intercultural and Student Affairs or their designee to terminate the expulsion.

7.1.5.4 Deferred Suspension. In rare cases, the Student Conduct Hearing Board may determine that a certain sanction is the appropriate formal sanction, but strong mitigating circumstances warrant holding the formal sanction in abeyance. The student may continue enrollment under restrictions and conditions. Formal sanctions may only be held in abeyance by the Student Conduct Hearing Board or the Vice President of Intercultural and Student Affairs or their designee. A student found to have violated the conditions or restrictions of a formal sanction held in abeyance will minimally have the formal sanction imposed. A copy of the notice will be forwarded to the Dean of the Student's College and to the Registrar for a notation on the transcript. The notation remains until either the end of the formal sanction held in abeyance period or graduation unless a petition for early removal is approved. Formal sanctions held in abeyance shall be terminated automatically upon graduation. This is a suspension

which becomes effective at a specified future date. It is normally used near the end of a semester to avoid the financial penalty of immediate suspension. During this period of deferred suspension, probationary status as described in Probationary Suspension above will exist.

7.1.6 Other Conditions or Restrictions

7.1.6.1 Deferral of the degree. The Student Conduct Hearing Board/Title IX Review Panel, or the Vice President of Intercultural and Student Affairs or their designee may withhold the conferral of the degree until the disciplinary process has been resolved.

7.1.6.2 Withholding of the degree. In cases in which a student has not been awarded the degree but has completed all requirements for the degree, the Student Conduct Hearing Board/Title IX Review Panel or the Vice President of Intercultural and Student Affairs or their designee may direct that the degree be withheld for a period not to exceed one year from the date the condition or restriction is imposed.

7.1.6.3 A degree awarded by the institution may be revoked for fraud, misrepresentation, or other violation of the university standards in obtaining a degree by Student Conduct Hearing Board/Title IX Review Panel or the Vice President of Intercultural and Student Affairs or their designee.

7.1.6.4 The Vice President of Intercultural and Student Affairs or their designee/Title IX Review Panel may authorize any other sanctions they deem to be just and appropriate.

7.1.7 Consequences of Inappropriate Online Conduct

Students must be aware that conduct that is unacceptable and disruptive in the regular classroom is, typically, unacceptable in the virtual classroom.

7.1.7.1 Student conduct violations that occur in the virtual classroom may be subject to progressive discipline which, depending on the seriousness of the conduct at issue, will include an initial verbal warning and consultation with the student prior to any formal disciplinary action.

7.1.7.2 The seriousness of the conduct at issue will dictate the actions of administrators and the nature of the penalty ultimately imposed. A student may be subject to a severe penalty, even for a first offense, depending on the seriousness of the conduct at issue.

7.1.7.3 Some factors that will be taken into account in determining the penalty to be imposed, if any, for conduct that occurs in the virtual classroom will include: 1) whether the conduct disrupted learning in the virtual classroom; 2) whether the conduct was violent or threatening in any way; 3) whether the conduct was illegal; 4) whether the conduct interfered with the rights of educators and/or

students to work and learn in a safe and orderly environment free from inappropriate images, messages, language or behavior; 5) whether the student has committed prohibited conduct in the past; or 6) whether the student has received prior warnings or discipline for similar conduct.

7.1.7.4 If students are found in violation of virtual classroom standards, they will be assigned one or more sanctions. Sanctions may be punitive in nature, but whenever possible, they are intended to create an educational outcome.

7.1.7.5 Possible sanctions are the following: 1) a fine, which is a requirement to pay a financial penalty for their violation and payable in cash or check payable to “Marshall University” and delivered to the Office of Student Conduct; 2) a warning for violation; 3) community restitution, which is a task that benefits the individual, campus, or community (such as a service-related activity) is assigned to the student; 4) educational project or paper, which is a requirement to write an essay or a paper on a given topic, or to complete a project of benefit to his or her community, such as creating educational flyers or bulletin boards, or organizing an educational program; or 5) assessment, which is a requirement to complete a behavioral assessment, and to discuss it with an appropriate University official.

7.2 Disciplinary Action; Proceedings.

7.2.1 Application to students -Any person who is a student as defined in these policies, rules and regulations shall be subject to disciplinary action by the University if that person is involved in any of the actions or conduct prohibited by these policies, rules and regulations, notwithstanding the fact that at the time the student is also an employee of Marshall University. In taking disciplinary action against a student, as defined herein, the University may act to remove any status of such a person or to revoke or remove any right or privilege of such person as a student, or to withhold, remove, or cancel any benefit, recognition or certification, including the rescinding of admission or the conferring of a degree, which such a person might yet not have received from the University.

7.2.2 A sanction of suspension or expulsion imposed by a college or university under the jurisdiction of the West Virginia state higher education system shall also be effective at Marshall University. A student who is expelled from one (1) institution in the West Virginia state higher education system may not be considered for admission to Marshall University until one (1) year has elapsed after the student has been expelled.

7.2.3 When a sanction is scheduled for a particular semester and the time lapse during an appeal process makes enforcement in the designated semester impossible, then the sanction shall be applied to the semester in progress at the time of completion of the appeal. In the event that sanction cannot

be implemented during that semester, then it shall be applied during the next regular semester, except that if the student has completed the course of study during the pendency of the appeal, the sanctions, where possible, shall be carried out retroactively to affect the grades and records of that student during the semester designated in the original sanction. In any event, the accused student may not be graduated during the process of appeal.

7.2.4 The requirements for disciplinary action are found in the Administrative Procedures associated with this Policy.

8.1 Amnesty

8.1.1 Amnesty relating to sexual misconduct. To encourage reporting of alleged violations of sexual misconduct and to support candid communication of information, students participating in the grievance process (Complainants, Respondents, and Witnesses) will not be charged with alcohol or drug-related violations if they engaged in unlawful or prohibited personal use of alcohol or drugs during the incident when the alleged violation occurred. Amnesty applies only to the personal use of alcohol or drugs during the incident in question and does not extend to other potential violations. Amnesty does not apply to the Respondent if drugs or alcohol were allegedly used to facilitate a violation of this policy.

8.1.2 Amnesty relating to alcohol and other drugs. Any student who, in good faith and in a timely manner, seeks emergency medical assistance for a person who reasonably appears to be experiencing an overdose from alcohol or drugs may not be held responsible for a violation of prohibited alcohol or drug related conduct only, as defined in the Code, if the student does all the following:

- i) Remains with the person who reasonably appears to be in need of emergency medical assistance due to an overdose until such assistance is provided;
- ii) Identifies themselves, if requested by emergency medical assistance personnel, law enforcement officers, or University officials;
- iii) Cooperates with and provides any relevant information requested by emergency medical assistance personnel, law-enforcement officers, or University officials needed to treat the person reasonably believed to be experiencing an overdose; and
- iv) If the person who reasonably appears to be experiencing an overdose from alcohol or drugs is also a student, they will not be held responsible for a violation of prohibited alcohol or drug related conduct, as defined in this Code, but may be required to complete additional conditions imposed by the Director to receive amnesty.

Medical Amnesty only applies to the Marshall University Student Code of Conduct policies. This policy does not prohibit or preclude law enforcement agencies from enforcing any applicable laws including the filing of criminal charges against the student(s) involved.
