

STUDENT'S PLAN OF STUDY
PSY.D. DEGREE IN CLINICAL PSYCHOLOGY
Revised 9-09

Student's Name: _____ Student's Number: _____
Address: _____
Phone Number _____ E-Mail _____
Advisor: _____ Anticipated date of Masters completion: _____
Catalog of Record: _____ Anticipated date of Psy.D completion: _____

Those entering the PsyD program with a bachelor's degree must complete all MA and Psy.D requirements below. Those entering the Psy.D program with a master's degree or work experience may petition for course equivalency based on previous coursework/degree/experience.

Student Entering the Program has (Check One):

_____ Bachelor's degree and both MA and Psy.D requirements **MUST** be completed

_____ Some graduate work from an accredited institution, so hours can be waived as equivalent because of previous coursework/degree/experience

At least 50% of classes must be at the 600 level. Students who were undergraduates at Marshall and took a 400 level version of a 500 level class and received an A or B should not take the 500 level section. They should find an alternative.

NOTE for Equivalency: Documentation must be submitted by student to Psy.D Director for waiver & approved by Psychology Dept. Faculty. TRANSFER CREDIT MUST BE DONE AT THE TIME OF THE INITIAL PLAN OF STUDY and indicated "Equivalent" in the grade/substitution/waived/equivalent column.

NOTE for Substitution or Waived: When required courses are not offered, a course may be substituted. If no substitution is available, then a course requirement may be waived. Course substitutions will be indicated as "Substitution" in the grade/substitution/waived/equivalent column and waived requirements will be indicated as "Waived" in the grade/substitution/waived/equivalent column.
