Mr. Bailey,

Thank you for your email wanting to move forward with switching the compactor at the North South Dorm from a stationary to self-contained compactor. Per our conversation, since we quoted the compactor in September 2023, pricing has increased \$36.31 per month on the monthly rental. Per your request below is an updated quote. If this is acceptable, please advise in an email like the one you sent me on Tuesday, April 2, and I will move forward with getting the compactor ordered. Also, please advise of a date and time to meet so we can look to see if any changes need made to the coral for installation.

**30 yard Self Contained Compactor**

- One time charge for Removal and Installation \$1720
- Monthly Rental \$588.69
- Haul Charge Per Load \$197.55
- Disposal Cost \$28.80.

**Pricing Comparison from Stationary to Self-Contained**

- Monthly Lease would go from \$339.67 to \$588.69.
- Disposal per ton \$28.80 would stay the same.
- Haul charge would increase from \$164.42 to \$197.55 because of switching from stationary to self-contained.

Thank you,

Nick Rupert

Michelle,

Please see my answers to your questions in yellow. Gina is out today, and I will speak with her Monday.

1. Added Baseball Stadium (#42) and three times per week for pickup. **Yes** Do any other charges need listed on this line? **\$244 per month is the total price**
2. Replace North South Dorms compactor(#30) with a 30-yard self-contained compactor. Do I need to give this a new line number, or can it just replace this line? **Gina, can you advise because I am not sure how to answer?** Also can you confirm the account number for all lines and confirm the pickup and address? **18-148875 North South Dorms - 18<sup>th</sup> Street @ 5<sup>th</sup> Avenue.**

Thank you,

Michelle, and Nina,

We received email confirmation to move forward with changing the stationary compactor at (account number 18-148875) North South Dorms to a self contained compactor. Mike Murphy is ordering the compactor, and we are estimating installation to be towards the end of July. Once we get closer to the install date, we will work with Travis and Paul. Also, we will work on setting up a date and time to meet at the location to see if there are any changes needing made to the location. Attached is the proposal with the pricing. If you have any questions or need additional information, please let me know. Once the compactor is installed, Gina will change the pricing for the account.

Thank you,

Nick Rupert | Municipal Sales Representative
